

How, then, shall we live?

```
graph TD; A[How, then, shall we live?] --> B[What should we do to live well/righteously?]; A --> C[What should we do to live? Survival question];
```

What should we do to live well/righteously?

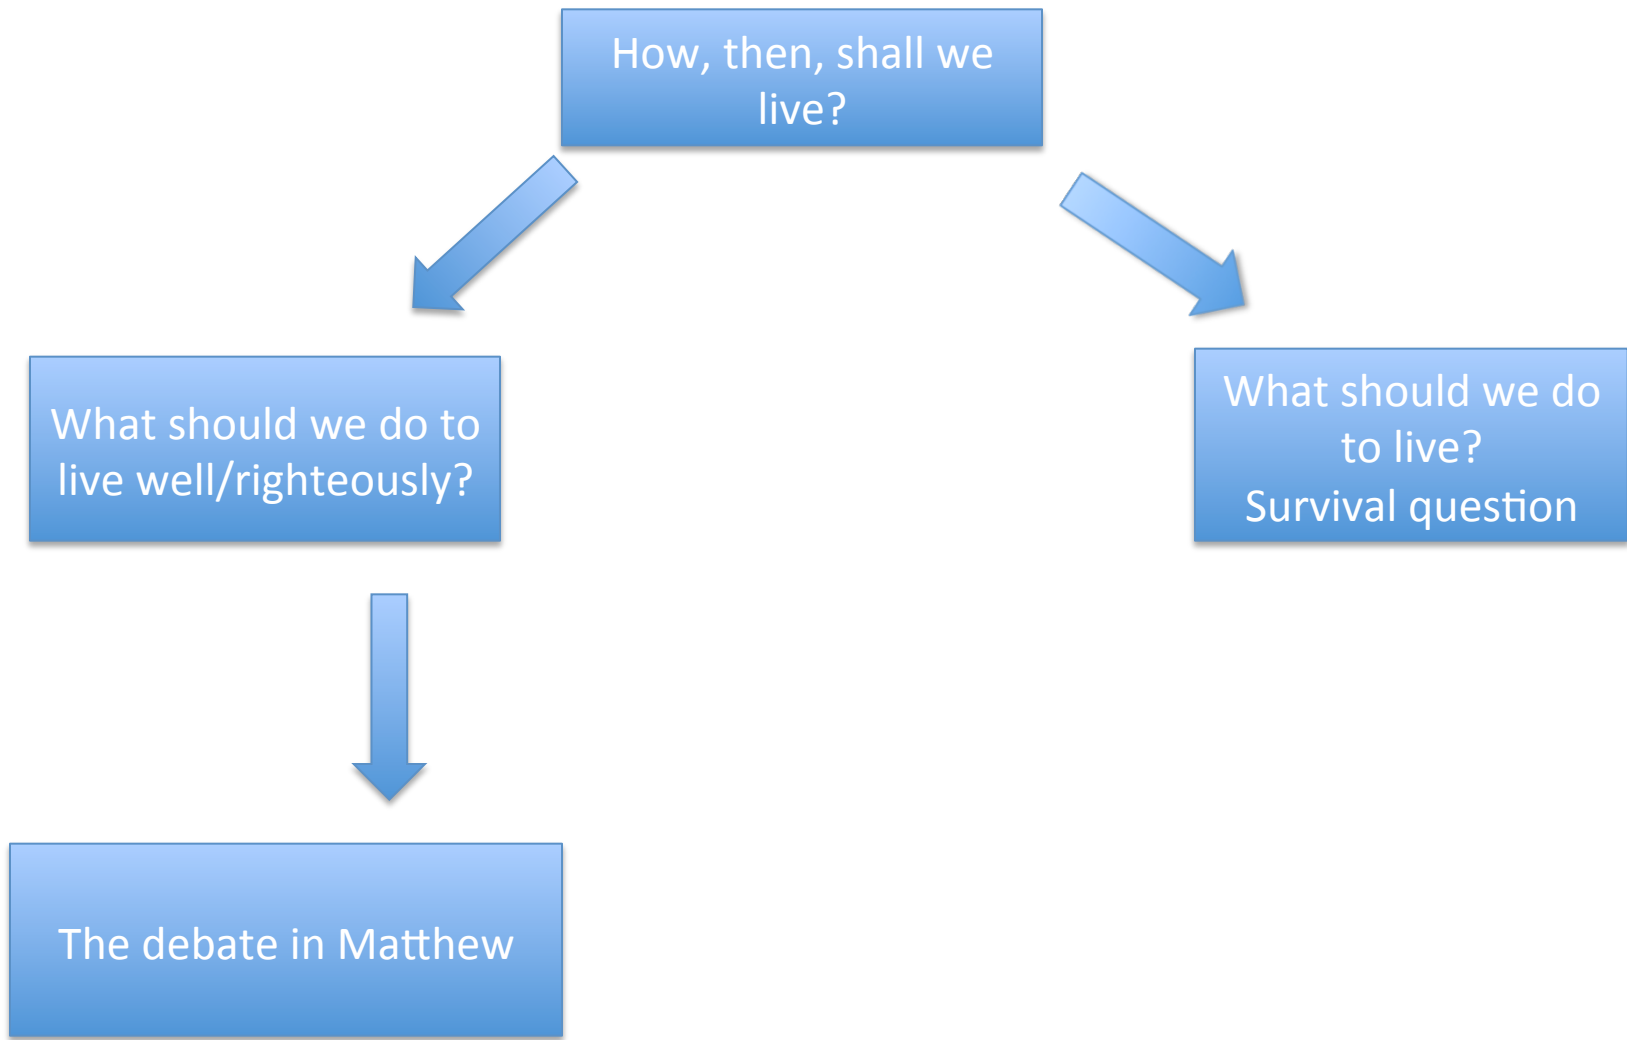

What should we do to live?
Survival question

How, then, shall we live?

What should we do to live well/righteously?

What should we do to live?
Survival question

The debate in Matthew

How, then, shall we live?

```
graph TD; A[How, then, shall we live?] --> B[What should we do to live well/righteously]; A --> C[What should we do to live? Survival question]; B --> D[The debate in Matthew]; C --> E[The debate in Leviticus];
```

What should we do to live well/righteously

What should we do to live?
Survival question

The debate in Matthew

The debate in Leviticus

How, then, shall we live?

What should we do to live well/righteously

What should we do to live?
Survival question

The debate in Matthew

The debate in Leviticus

Follow Jesus

Be Holy as God is Holy
